MARKET HOURS

The Authority has been approached by representatives from Freshstate and the Victorian Retail Fruiterers Association who met this morning (Monday) in an endeavor to jointly propose minor changes to market hours.

We understand that this will take a few days to finalise to everybody's satisfaction.

The Authority has agreed in the mean time to the following:

1. Trading hours for the rest of this week will remain at a 4.00am start (per Market Circular number 492)
2. All buyers may enter the market at 3.30am
3. Country Transport buyers and Country Transport Buyers with Sleeper Permits may park on their designated parking bays on arrival at the market.

We will provide market users with further information as it becomes available.

The MMA appreciates the joint effort of all concerned.
