MARKET CIRCULAR NO: 510

DATE: 11th February, 2009

TO: All Market Users at the Melbourne Markets

BUSH FIRE RELIEF

The Melbourne Markets Lions Club and the Victorian Food Bank will be holding a special appeal in the Market on Wednesday 11th and Thursday the 12th of February, 2009 in support of the victims of the bush fires on Saturday the 7th February, 2009. The majority of market users know somebody that has been affected or have been personally affected by this disaster.

Members of the Lions Club will be walking around the Market seeking cash donations from market users. The market walks will begin at 6.00am following an announcement over the Market Public Address System.

Representatives of the Victorian Food Bank will be moving around the Market in a convoy of Market Scooters picking up fresh produce donations from market sellers. This produce will be distributed by the Food Bank within hours of it being received. Donations of fresh produce can also be delivered directly to the Food Bank Market Stands numbers 631,632,633.

These actions are fully supported by the Melbourne Market Authority and I am sure all market users.
