

Fact Sheet

Are you bringing your forklift to Epping?

Here's what you need to know

Vehicle Registration

If you're bringing your forklift/s to Epping you will need to let us know. We've enclosed a form with all the details you need to send us.

Complete this form and return it to us no later than 24 July 2015.

Once you've returned this form, your forklift registration will automatically be transferred across.

What happens if I don't return my form?

Your registration will be cancelled.

Without a Melbourne Market forklift plate registration, your forklift will not be allowed on market land.

Got a new forklift you're bringing to Epping?

All new forklifts for Epping will need to be registered via the existing forklift registration process. We've also enclosed a copy of this form for you.

Not bringing your forklift/s to Epping?

No worries! You don't need to do anything.

LPG registration

Refuelling at the market

The new Market has two LPG fuel stations. The Northern LPG station is operated by the MMA and the Southern LPG station is operated by Fresh State.

To use the Northern LPG fuel station near forklift storage EFS1, you will require a LPG Tag which you will receive after registering your forklift with the MMA.

How will I be billed for LPG?

LPG will be billed monthly via your MMA customer account to your registered billing address.
