Over the past 47 years, the Lions Club of Melbourne Markets has successfully raised much needed funds from the market community for countless worthy causes.

The Market Annual Golf Day and raffle has been our major fund raiser in recent years supporting the Debra Foundation (children with the debilitating EB - skin peeling affliction).

Your response to this year's monster car raffle with many extra prizes totaling in excess of \$40,000 would be very much appreciated.

With Thanks,

Dom DiMattina
